PLEASE NOTE: BY SIGNING THIS DOCUMENT, YOU ARE LIMITING YOUR LEGAL RIGHTS

The undersigned is the parent/guardian of _____ (“the child”) who will participate in the Rotary Kid’s Fishing Day (“the Event”). I understand that fishing involves the use of equipment near water and that it is foreseeable that accidents and injuries may occur. I understand that I am assuming the risk of the child’s participation in the Event. In consideration of the acceptance of this application and the services to be rendered, I agree to release the Rotary Club of Barrie Kempenfelt, its officers, directors, representatives and agents (“the Rotary Club”) from all claims, suits, proceedings, liabilities, damages, costs, expenses, demands, actions of any nature or kind and losses sustained by the participant, his or her guardians, parents, relatives howsoever caused including claims for injury, death and damage to property arising prior to, during or after the child’s participation in the Event, even though any such claim may have been caused, contributed to or occasioned by the negligence of the Rotary Club.

If before, during or after the Event, the child causes an injury or loss to another person who names the Rotary Club as a co-defendant in an action or claim, I agree to hold harmless and indemnify the Rotary Club for any such claim made. I further agree to indemnify the Rotary Club for all legal fees incurred in its defence of such action or claim.
